“We couldn't have asked for a more perfect wedding weekend at Talton House and Talton Lodge! From start to finish, Barney, Olivia, and the entire team went above and beyond to make everything seamless. No request was ever too much trouble—they gave us the freedom to personalise every detail and truly make the celebration our own. The food was absolutely amazing—so many of our guests are still raving about it—and the house and grounds were immaculate. The pool was a huge hit (especially in the heat!), and it was such a joy to have all our guests stay on site. From the beautiful rooms to the charming yurts with even space for camper vans, everyone felt welcome and part of something special. The whole weekend felt magical, relaxed, and full of joy. The photos turned out stunning thanks to the gorgeous setting, and we are left with nothing but the happiest memories. Talton is a truly special place—we feel incredibly lucky to have celebrated there!”

“We had our wedding at Talton Lodge in June 2022. It is an absolutely stunning venue with great accommodation options. One key reason we chose Talton Lodge is that you get use of the venue and accommodation for the whole weekend, meaning we could relax and enjoy time in the wonderful setting with our friends and family before and after the big day. The food on the day was delicious and the staff working the bar and service were very friendly. The owners, Barney and Olivia were helpful throughout the process. We loved the relaxed, laid back atmosphere. We're very happy we booked Talton Lodge for our wedding.”

“Stunning grounds and accommodation, full of personality and wonderful hosts. Just had a friend's big birthday celebration here and we were sad to leave - glorious food too - utterly magical experience. ”

“I booked the venue for a 50th birthday party with friends. The venue delivered exactly the relaxed festival vibe I was looking for. The site is beautiful, and a lot of care and attention clearly goes in to making it look that good. The accommodation is comfortable and charming. We had the site to ourselves and it really felt like it was ours for the weekend. We enjoyed playing ping pong and kubb, dipping in the beautiful pool, and drinking the odd refreshing beer on tap. In fact, it was so nice that we couldn't imagine anything being nicer than just enjoying the sunshine in the beautiful kitchen garden.”
